BREAKFAST AND LUNCH LOANS

In an effort to be in compliance with the Department of Education's revised meal loan practice, Lincoln School will not make unlimited meal loans (whether for breakfast or lunch) to students who do not have funds in the *Meal Tracker* accounts.

The maximum meal loan amount is as follows:

For students eligible for free meals	No loan
For students eligible for reduced price meals	\$2.00 maximum
For students who pay the regular student price for meals	\$11.25 maximum

If there are no funds in your child's *Meal Tracker* account, and the meal loan maximum amount has been reached, you need to provide your child with breakfast at home and send your child to school with a home lunch.

The school's guidelines are reflected in the parent handbook (pages 20-22) regarding recommended deposits and loan balances. To ensure that your child has enough monies in her/his *Meal Tracker* account, we recommend payments of \$45.00 for full price meal status students and \$8.00 for reduced price meal status students. Free meal status students may make deposits into the system for second lunches, second breakfasts, and milk.

Students with insufficient funds will be served breakfast and lunch, but money should be deposited in the student's account before a negative balance of **\$11.25** for full price meal status students and **\$2.00** for reduced price meal status students. **Any parent having difficulty paying a loan should have their child eat breakfast at home and send child to school with home lunch until the loan can be paid in full.**

NEGATIVE MEAL TRACKER BALANCE STATEMENTS

Parents / Guardians should be aware that Negative and Low Balance Meal Time Statements are sent home with their child every Tuesdays and Thursdays. If your child continues to have a negative balance in his/her *Meal Tracker* Account, Lincoln School's Office will be notifying you immediately. Please settle your child's loan by the next school day to avoid administrative action. Your cooperation in this matter is truly appreciated!

MEAL TRACKER DEPOSITS:

Parents or students may make deposits into their *Meal Tracker* accounts via cash or check (payable to Lincoln School) by dropping off payments in the *Meal Tracker* Deposit Box at the office between 7:30 a.m. and 4:00 p.m. daily. Payment envelopes and deposit slips are available on the office counter.

Parents who submit a bounced check will be charged a \$25.00 fee. Once the fee is paid in full, the office will then accept checks from those parents. However, the office will only accept cash from those parents as long as the fee is unpaid.

Parents who send their children to school with deposits should direct them to the office to make their payments. They should not give their payments to their homeroom teachers, because the teachers will not be responsible for making their students' deposits.

Upon receipt, deposits will be processed and the money will be available for use by your child 24 hours after the deposit date. Cash is not accepted on the line in the cafeteria during breakfast and lunch service.

Please refer to the Parent Handbook for more information.
