PROJECTION LETTER NEXT SCHOOL YEAR 2013 - 2014

On Wednesday, April 10, 2013, Lincoln School's Office sent home a projection letter for next school year 2013 – 2014. If you have indicated that your child will be returning to Lincoln School, your child will automatically be registered for the next school year 2013 – 2014. You do not have to register your child again at Lincoln School. If you did not complete and turn in the projection letter for your child, please do so immediately. Your response is important to us, so that we can get an estimated count of how many students will be returning in the fall. If you have any questions, please feel free to call the office.

YEARBOOK PRE - ORDERS

Yearbooks are here! If your child ordered a yearbook, he/she will receive it directly from their homeroom teacher on **Monday, May 6th**. In addition to this year's yearbook, there will be an insert of additional pictures from May Day, which will be distributed once it arrives. If you are still interested in ordering a yearbook, please come to the office to purchase one. There are only few extra copies that can be purchased on a first-come, first-served basis. The cost for a yearbook is \$20.00.

LINCOLN SCHOOL T-SHIRTS FOR SALE

If you missed your first opportunity to purchase a Lincoln School t-shirt, please stop by the office. We still have Lincoln School t-shirts available for sale. While supplies last, we have youth sizes from small to large for **\$8.50** and adult sizes from small to 2XL for **\$11.50**. Mahalo for your support!

OPERATION SEARCH 2013

If your child is having trouble learning, s/he does not have to face it alone! Operation Search 2013 can help. If your child has difficulty learning, speaking, moving or getting along with others, there are skilled professionals who can help. Operation Search helps identify children with disabilities

Children who will be 5 years old on or before December 31, 2013, may enroll in kindergarten. Early registration helps the school plan for this important step in your child's education. If your child is of age, you will need the following forms to register him/her for Kindergarten:

1. Completed School Registration Form (available at the school's office)
2. Birth Certificate or Passport
3. Proof of Residential Address (i.e. rental agreement, mortgage, a current utility bill)
4. Form 14, *Student's Health Record*, from your doctor with current year TB testing, physical exam and up-to- date immunizations
5. Letter Size Self-Addressed Stamped Envelope

If you have any questions, please feel free to call the office.

PAUOA ELEMENTARY SUMMER SCHOOL PROGRAM

Pauoa Elementary School is offering a Summer School Program starting on June 3, 2013 and ending on July 12, 2013 from 8:00 a.m. – 12:00 p.m. If you are interested, please stop by the office and pick-up an application.

ADULT SUPERVISORS

Like working with kids? This may be the job for you. Adult Supervisors are in charge of supervising students as they come in for lunch and as they go out for recess. Work hours are from 11:00 a.m. – 12:30 p.m. daily. The salary is \$8.00 per hour. If you are interested, please feel free to come to the office and pick up an application.

CLASSROOM CLEANERS

Interested in cleaning classrooms after school? Work hours are from 2:15 – 4:15 p.m. (Mon., Tues., Thurs., Fri.) and 12:30 – 2:30 p.m. (Wed. only). The salary is \$8.00 per hour. If you are interested, please feel free to come to the office and pick up an application.

CROSSING GUARD NEEDED!

Lincoln School has no crossing guard at this time. We ask all parents to review traffic safety rules and laws with their children. Please make sure that your children are supervised adequately if they walk to and/or from school. If you or anyone you know is interested in applying to be Lincoln's crossing guard, contact HPD's Human Resources Department – Randall Tolentino directly at 529-3106.

The salary is \$10.55 per hour (maximum of 2 hours/day).

The hours are as follows:

7:15-8:15 a.m. and 2:15-3:15 p.m. Mondays, Tuesdays, Thursdays & Fridays

7:15-8:15 a.m. and 12:30-1:30 p.m. Wednesdays

Lincoln School is looking for a Meal Count Assistant to help cashier during breakfast and lunch meal times in our school's cafeteria. This position requires some computer skills and knowledge. If you are interested in applying to be Lincoln School's Meal Count Assistant, please call the school's office at 529-3106.

BREAKFAST AND LUNCH LOANS

In an effort to be in compliance with the Department of Education's revised meal loan practice, Lincoln School will not make unlimited meal loans (whether for breakfast or lunch) to students who do not have funds in the *Meal Tracker* accounts.

The maximum meal loan amount is as follows:

For students eligible for free meals	No loan
For students eligible for reduced price meals	\$2.00 maximum
For students who pay the regular student price for meals	\$11.25 maximum

If there are no funds in your child's *Meal Tracker* account, and the meal loan maximum amount has been reached, you need to provide your child with breakfast at home and send your child to school with a home lunch.

The school's guidelines are reflected in the parent handbook (pages 20-22) regarding recommended deposits and loan balances. To ensure that your child has enough monies in her/his *Meal Tracker* account, we recommend payments of \$45.00 for full price meal status students and \$8.00 for reduced price meal status students. Free meal status students may make deposits into the system for second lunches, second breakfasts, and milk.

Students with insufficient funds will be served breakfast and lunch, but money should be deposited in the student's account before a negative balance of **\$11.25** for full price meal status students and **\$2.00** for reduced price meal status students. **Any parent having difficulty paying a loan should have their child eat breakfast at home and send child to school with home lunch until the loan can be paid in full.**

NEGATIVE MEAL TRACKER BALANCE STATEMENTS

Parents / Guardians should be aware that Negative and Low Balance Meal Time Statements are sent home with their child every Tuesdays and Thursdays. If your child continues to have a negative balance in his/her *Meal Tracker* Account, Lincoln School's Office will be notifying you immediately. Please settle your child's loan by the next school day to avoid administrative action. Your cooperation in this matter is truly appreciated!

MEAL TRACKER DEPOSITS:

Parents or students may make deposits into their *Meal Tracker* accounts via cash or check (payable to Lincoln School) by dropping off payments in the *Meal Tracker* Deposit Box at the office between 7:30 a.m. and 4:00 p.m. daily. Payment envelopes and deposit slips are available on the office counter.

Parents who submit a bounced check will be charged a \$25.00 fee. Once the fee is paid in full, the office will then accept checks from those parents. However, the office will only accept cash from those parents as long as the fee is unpaid.

Parents who send their children to school with deposits should direct them to the office to make their payments. They should not give their payments to their homeroom teachers, because the teachers will not be responsible for making their students' deposits.

Upon receipt, deposits will be processed and the money will be available for use by your child 24 hours after the deposit date. Cash is not accepted on the line in the cafeteria during breakfast and lunch service.

MEAL TRACKER NEGATIVE BALANCES, CARRYOVER BALANCES, AND REFUNDS

Below is a chart breaking down the total costs for breakfast and lunch for the remainder of the school year. If your child eats breakfast and lunch in school, please be sure to have enough funds deposited into your child's *Meal Tracker* account. Any negative balances will not be allowed and will need to be paid off before the end of the school year on **Friday, May 24, 2013**. If your child will be returning to Lincoln School next school year, his/her remaining balance will be carried over to next school year or can be refunded upon parent request. If your child will not be returning, please

FACTS ABOUT SUN EXPOSURE DURING THE SUMMER

The sun radiates light to the earth and it consists of invisible ultraviolet (UV) rays. When these rays reach the skin, they cause tanning, burning, and other skin damage. Sunlight contains three types of ultraviolet rays: UVA, UVB, and UVC.

- UVA rays cause skin aging, wrinkling and contribute to skin cancer, such as melanoma. UVA rays pass through the earth's ozone layer.
- UVB rays are also dangerous, causing sunburns, cataracts (clouding of the eye lens), and effects on the immune system. They also contribute to skin cancer. Melanoma, the most dangerous form of skin cancer.
- UVC rays are the most dangerous and are blocked by the ozone layer.

To protect your family from exposure to UVA and UVB rays, there are lots of good sunscreens available for kids, including those with sensitive skin, brands with fun scents, long-lasting waterproof and sweat-proof versions, and easy-application varieties in spray bottles. Concentrate on the SPF (sun protection factor) numbers on the labels. For kids age 6 months and older, select an SPF of 30 or higher to prevent both sunburn *and* tanning. Choose a sunscreen that states on the label that it protects against both UVA and UVB rays (referred to as "broad-spectrum")

We encourage everyone to do their best, as everyone’s score impacts our school. The following tips can help ensure a job well done:

- ❖ Get a good night of sleep before coming to school;
- ❖ Have a healthy breakfast;
- ❖ Get enough exercise;
- ❖ Come to school on time; and
- ❖ Practice skills that you have learned with your teachers.

Parents can best help their children prepare for the Hawaii State Reading, Mathematics, and Science (for fourth grade) Assessments by providing the consistent day-to-day support that will help their children do well in school every day. Such supports include adequate sleep, a nourishing breakfast, completed homework, and daily attendance. The Hawaii State Reading and Mathematics Assessments help determine how well students are meeting the comprehensive reading and mathematics standards.
